

BEN MCLAUGHLAN, VESTRY CANDIDATE

Ben was born and raised in Decatur, IL. He moved to Indianapolis after high school, but has called Georgia home since 2017. Ben and wife, KJ, have three children, Rachael, Charly, and Teddy.

He was raised and baptized in a non-denominational church, but was introduced to the Episcopal church by KJ where he felt much more at home. He currently serves as a greeter in the church and looks forward to serving in an additional capacity.

When he and his family first came to St Matthew's they were warmly welcomed and felt instantly like part of the St Matt's family. Ben's vision for St. Matthew's is one of continued growth and community for everyone that wants to worship here.
