

## **VESTRY CANDIDATE – KAREN WILSON**

Karen Wilson is a cradle Episcopalian. Born in Utah and "raised around the world," I served on the vestry at St. Christopher's in Wyoming, the alter guild St. Michael's and All Angels in Savannah and St. Andrews in New Jersey where I also taught 4th grade Sunday School.

Gregory and I attend the 8 o'clock, where I currently serve as an usher. I've also been involved with Reading Camp since the inception of the program here at S. Matthew's.

My vision for the church is continued strong growth of our church especially within the community. I have witnessed the works of several committees that strive diligently to foster, embrace and built spiritual connectivity between God, through the church members and the communities in which we live. As our motto states, "It's the people."
