

DOK Annual Report 2020

Ruth Chapter, Daughters of the King

This year the Daughters have kept in touch through Zoom and sending out prayer requests whenever the need arose. We have been very busy praying for our church community, friends and family. We are looking forward to when we can see each other in person and worship again in our beautiful sanctuary.

We will miss Mother Liz's leadership and friendship. We wish her the best in the coming year.

Peggy Isaacs
