

## Fellowship Committee Annual Report 2020

Because of the Covid-19 pandemic, the Fellowship Committee's activities were minimal in 2020. While the pandemic prevented our usual gatherings, the Committee was not to be deterred. We were able to stage a few events while complying with all Diocesan and governmental requirements.

Here are the activities/events that were sponsored in 2020:

**September:** Goody Bags were hand delivered to every parishioner.

**November:** Drive-through Thanksgiving Feast. Thanksgiving meals were prepared as usual. Rather than gathering in the Parish Hall, parishioners drove through the back parking area and picked up their Thanksgiving Feast for home consumption.

The Committee wishes to thank everyone who helped make each of these events successful.

As Covid restrictions are slowly removed and we move back into our normal lives, the Committee will be planning more events. Co-chairs, Nancy Drury and Tina Couch Staples welcome your ideas and input now and, when the time comes, your help with staging new events.

Respectfully submitted,

Nancy Drury, Co-Chair

Tina Staples, Co-Chair

Judith Kinsey, Vestry Liaison
