

Vestry Candidate 2022 Clay Olbon

Clay is a technology consultant with Accenture, helping companies with large-scale digital transformations for the past 15 years. He and his wife Becky have been married 30 years and have two adult (well, semi...) children Tara (27) and Nate (22).

Clay is a cradle Episcopalian and has been active at St. Matthew's since joining the parish in 2003. He has been a delegate to the Diocesan council twice. He has served on the global mission committee. He is very active in Christian education, serving on the committee, has facilitated the adult bible study class for many years, as well as the adult confirmation class one year. He is frequently found volunteering for various activities around the parish such as the car show, work days, and whatever else the Senior Warden assigns to him.

Clay's Vision for St. Matthew's

I believe we need to retain (and regain!) our existing parishioners, while growing and attracting newcomers through building offerings around our strengths of Fellowship, Christian Education, Youth, and Outreach.
