

Flower Guild Annual Report for 2019

January 2020

The St. Matthew's Flower Guild has been busy again this year enhancing our worship services with flowers and altarscapes; we have also arranged for weddings, funerals, and receptions.

We currently have nine full-time members on our schedule. Funds ran low for awhile with fewer weekly donations, but your Christmas flower donations were the best in our history, and saved the day! Thank you so much. We need and are looking for additional members, men and women, who will receive training. Come have fun with us.

We thank you for your support and for giving us this creative opportunity!

Janis Williams
