## 1: Getting Started

Find a medium to large sized container or box in your home and put in a place where you can access it throughout Advent. Print a copy of this calendar and tape to your box or fridge to refer back to.

## 2: Filling your crate

Each day during Advent add your donations to your container. These may be things you have in your own pantry, or things you purchase specifically to donate. Listed items are suggestions, feel free to give what you are able. Remember to check expiration dates on items before donating.

## 3: Donating

At the end of December, drop off donations at the SE Gwinnett Co-Op or at St. Matthew's during posted times. Check the weekly newsletter for drop off information as it becomes available.
