

May Food Drive - May is the month St. Matthew's holds a special food drive for the Southeast Gwinnett CO-OP. Many families with children experience food insecurity during the summer months due to the suspension of school breakfast and lunch programs. The Co-op allows these families to come twice a month during the summer months for food distribution. Help the Co-op meet these increased demands by donating some of their most needed items.

The Outreach Committee will have donation bags with an attached list of the CO-OP's most needed items available after each service during the month of May.

Donation bags with the **blue list** are for you to pass out to your neighbors. It is suggested you pass out those bags to a few of your neighbors one week, then collect the bags the following week with date and time of your choosing.

Return all donated items to the collection barrels outside the Parish Hall by Sunday, May 29th.
